

JAPAN-NETHERLANDS SOCIETY OF THE KANSAI

14 October 2026

Invitation to the Corporate Members' Networking Event **(260th Regular Meeting)**

The Japan-Netherlands Society of the Kansai is pleased to invite its corporate members to this special networking event, organised with the kind cooperation of TAKENAKA CORPORATION.

The programme will include a lecture session on aquifer thermal energy storage (ATES), a renewable-energy technology widely used in the Netherlands, as well as urban development incorporating this system.

Participants will also have the opportunity to tour ATES-related facilities that are not open to the general public, as well as JAM BASE, a members-only open innovation office and other facilities.

We very much hope that you will be able to join us.
